### Kromekote Coated Cover

The FSC-certified Kromekote Collection features the most complete offering of cast-coated papers for use in production-rated color copiers, offset presses and HP Indigo presses.

Kromekote is ideal for attention-grabbing print promotions, direct mail, brochures, book covers, business cards, presentation folders, invitations, greeting cards, retail packaging, labels and more.

Details on the new Kromekote Collection

For offset and dry-toner production equipment, the new Kromekote Collection features a "universal" coated one-side sheet and a coated two-side sheet in a variety of weights and sizes. Kromekote is also available for HP Indigo presses in two calipers and sizes in C1S (RIT-certified for HP Indigo) and C2S (RIT certification pending).

Kromekote is available in colors and foils—and as a C1S label in two basis weights. In addition to FSC certification, Kromekote products are acid-free, lignin-free, elemental chlorine free and, with the exception of foils, recyclable.
